Granite High School

Since the time when the first classes of Granite High School were held in the old Scott Building in 1906-7, additions have been made until at the present time, we have four well-eqiupped buildings, including the Science Building, the Library Building, the Seminary Building, and the Shop.

As the years came and went, various courses were added. In 1907 the first football made its debut into this curriculum and Wid Ashton was captain. However, basketball was the first athletic endeavor of Granite High.

James E. Moss, Adam S. Bennion, Willard Ashton, D. J. Thurman, and Lorenzo H. Hatch have successively been at the helm as Granite's able leaders.

The spirit of those who support the "G" has not just happened. The wealth of tradition enriching and mellowing the qualities exemplified in the name "Granite" has made the school respected in scholastic and athletic competition.

Curriculum

The Curriculum of Granite High School includes the following general headings:

Agriculture, Commercial, English, Fine Arts, Handicraft, History and Civics, Home Economics, Mathematics and Sciences, Oratorical, Physical Education.

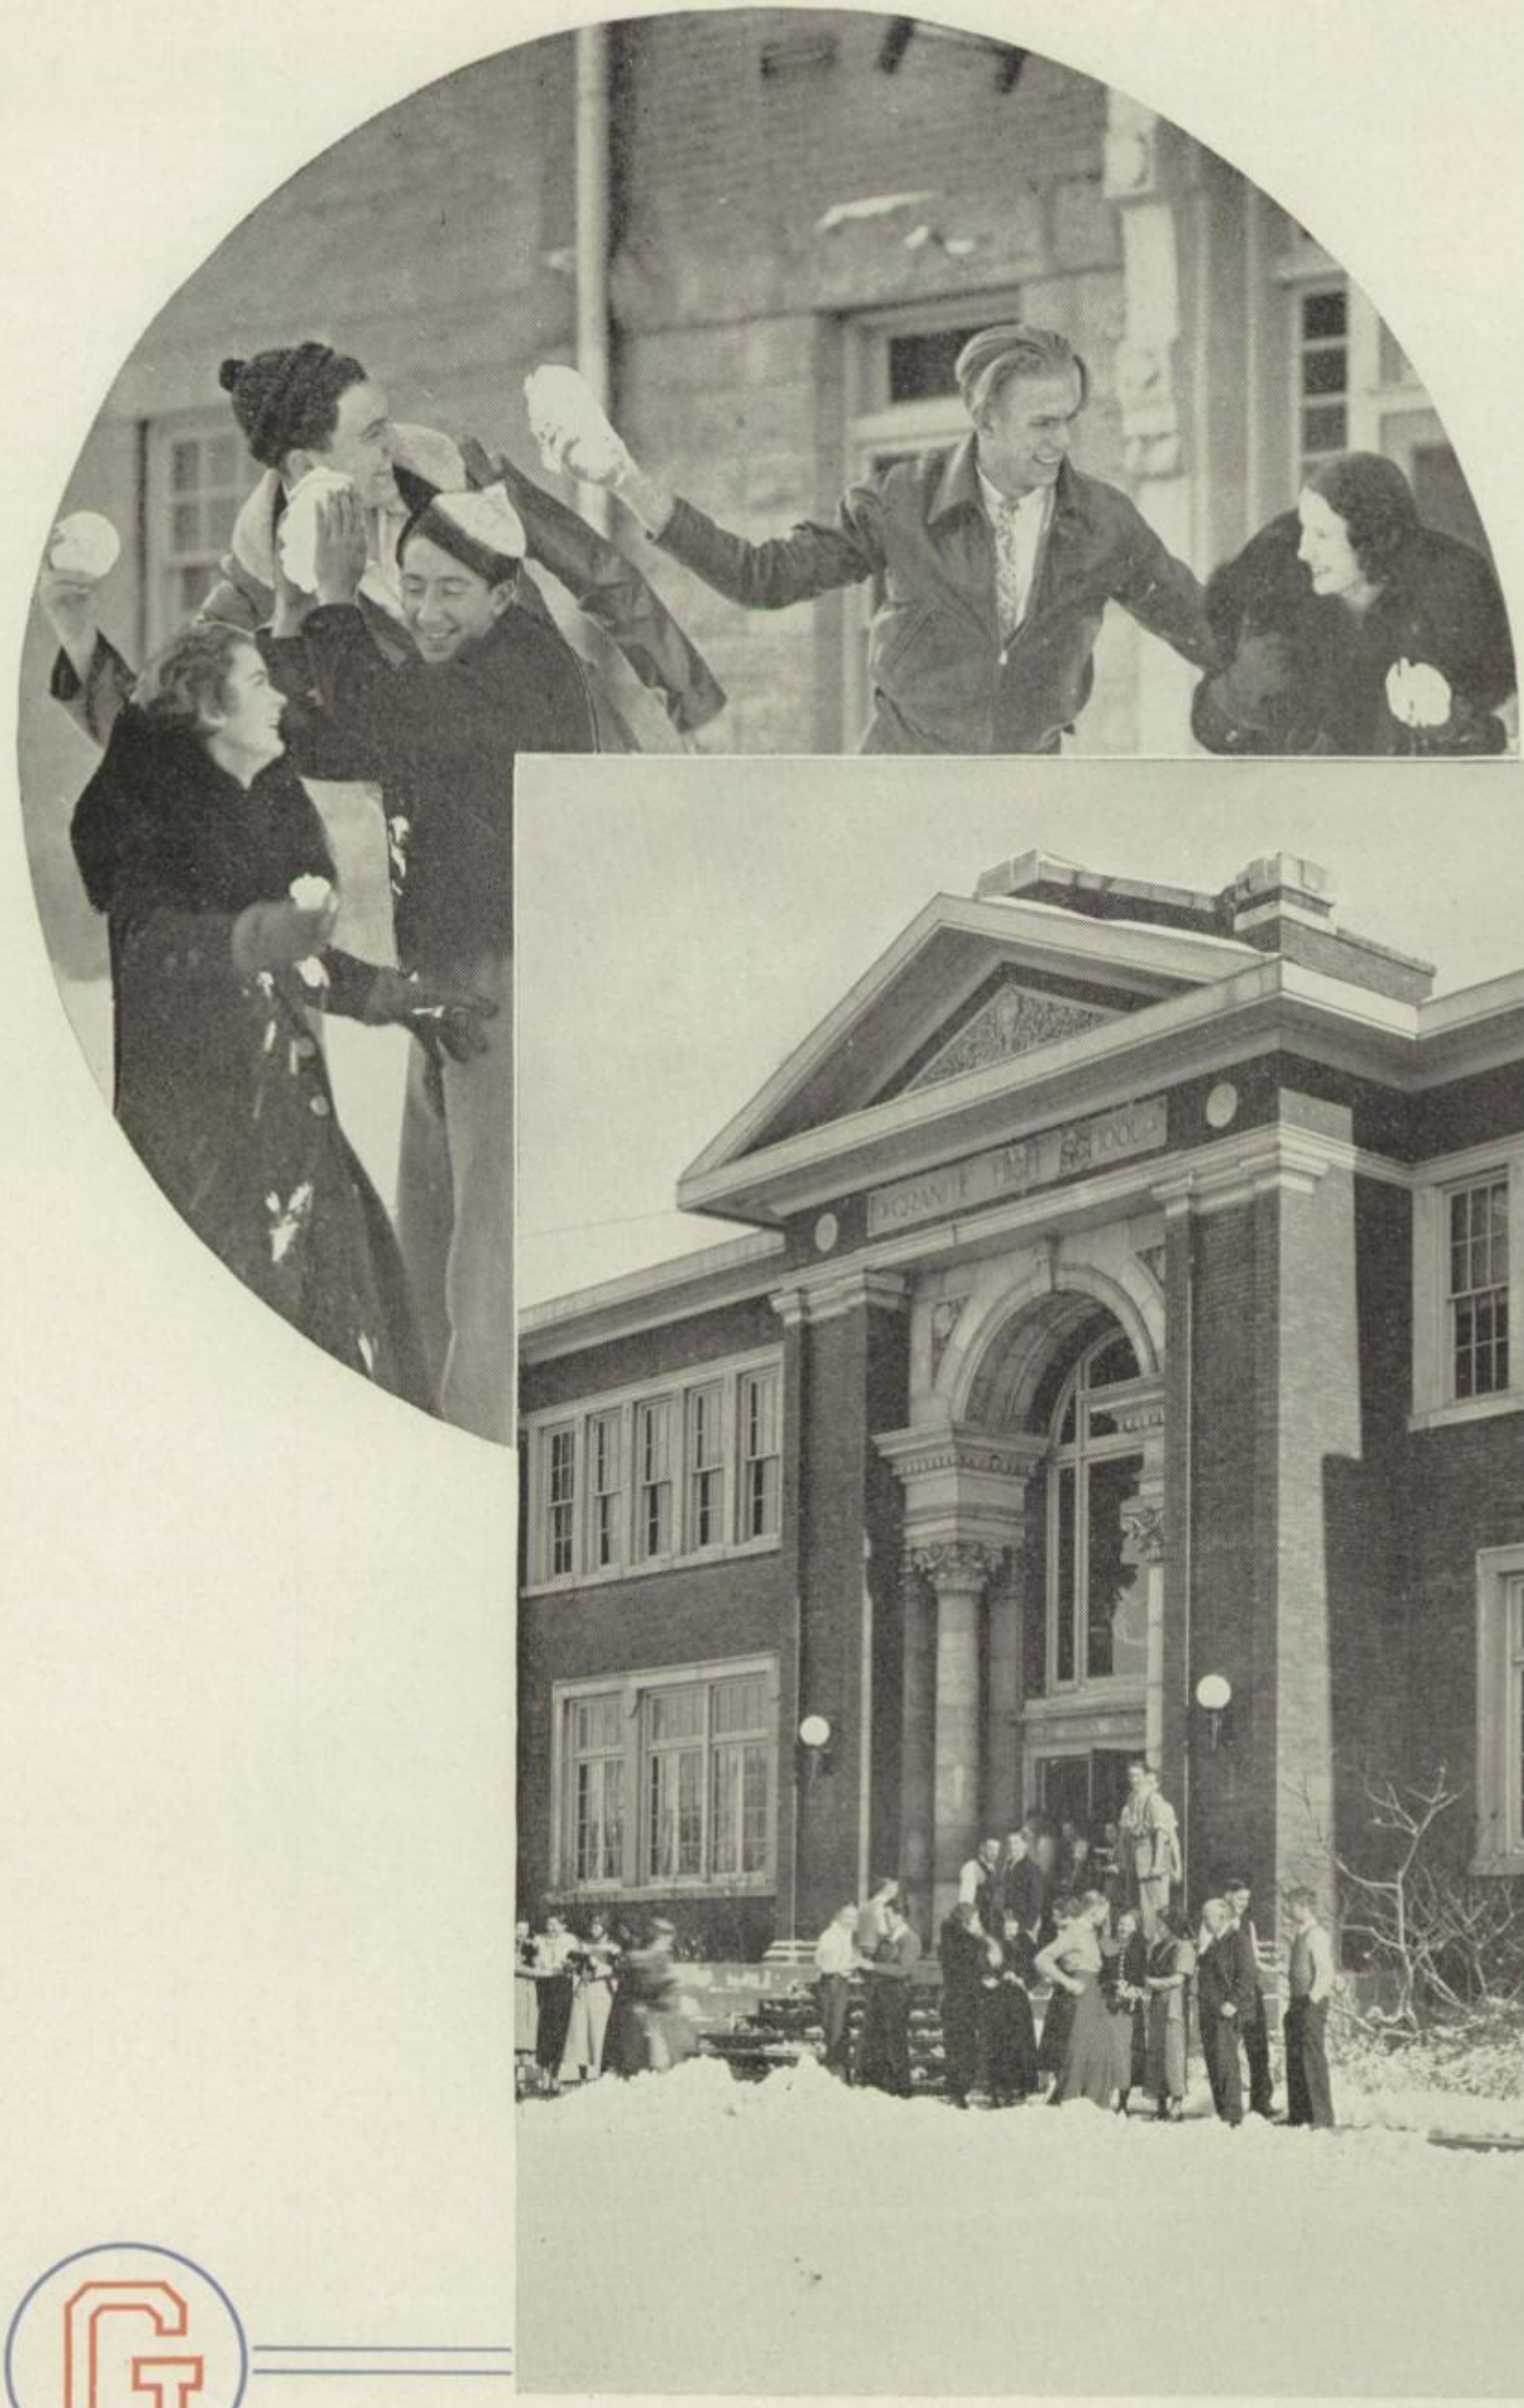
GRANITE HIGH SCHOOL



SONG OF "G"

When sight and sound of the campus
Fade in the long, busy years,
Yet will return in the memories
Echoes of old songs and cheers,
You of the field, track, and diamond,
Fighters for clean victory,
You who love the fair, square, sport,
You'll hear the song of the "G."

(Chorus)
Go it, Granite! Go it, Granite!
Hear the battle cry;
Go it, Granite! Go it, Granite!
Yours 'till we die.
She will remember, you'll not forget her
Though you are far away,
She is calling, calling, to you ever,
Honor the grand old "G."

Oh Boy- Some fun- see if you know anybody on these page-

1. Water! And Howl Watch it fly.

2. An assemblage on the flag pole—not uncommon at all to upper classmen, but prohibited to sophomores.

3. Just a gentle game of—Well your guess is as good as mine!

4. Don't exercise your mind too much, Mr. Markham. There are many more eccentric figures in this institution for cartooning.

5. Old fashioned maids in the Doll Party parade.

6. Just a usual shift from one room of torture to another.

7. Not just Dave, any more, but President.

8. We don't know the significance of the whiskey flasks, but Papa Dionne says they must have their milk so—

11. They act like they were in a hurry, but the 8:55 bell just rang, and were they anxious to get to that study hall, and how!

12. No, they're not imitating the stars in the sky but just helping Girls' Day to be a success.

13. Not pansies, but daisies in our annual Junior Doll party stunt.

14. Four smiling brunettes in the semi-finals of the Campus Sweetheart Contest.

15. "I'm not with the mechanics now," says Mr. Davis, "I'm on my way home minus the grease.

16. Tough, blind, old fashioned, silly people—no, it's just the faculty cooperating with student body on Dingy-Day.

The "G" Medal

A "G" medal, the desire of all real Granitians, is awarded at commencement to all graduating students who have won three letters in different activities during their school life at Granite with the exception of athletics and scholarship. In athletics it is necessary to win four letters, while in scholarship any student receiving an average of ninety-two per cent or above is presented with a "G" medal. This medal is a plain gold disc one inch in diameter with a raised gold block "G" on it. Special honor is paid to students receiving this "G" medal at graduation, and at that time they automatically become members of the Legion of the "G," an organization composed of all who have won this coveted honor during the existence of Granite High School. The silver anniversary of this organization was celebrated this year at their annual "All G Banquet," April 19.

The Token

The official award of the Granite High School is the "G" token or pin. These are made of sterling silver with an enameled block "G" of red and blue on the surface. Students may receive awards in various activities providing they are recommended by the coach or sponsors of the activity and are approved by the award council. They must, however, pass in three units of work other than physical education during the semester in which the award is earned. Some of the activities in which it is possible to win a "G" token are: school play, opera, debating, hall committee, yearbook staff, etc.

Administration

To the Students of Granite High School:

Two philosophies of government are prevalent in America today. One is based on the theory that each human being has fundamental, sacred rights of which he may not be deprived. The function of government is to protect the individual in these rights among which are life, liberty, justice in the pursuit of happiness. According to this theory the common welfare is best promoted by the protection of these rights. Government exists to protect them.

The second theory is that the group welfare, the national welfare transcends the rights of individuals.

The individual is a subject. He is conscripted for labor, for the army for whatever government feels to be in the common interest. There are no inherent, individual rights under such a philosophy. I would ask you to consider these philosophies seriously and decide which one you would prefer to have in your government. Can we maintain liberty and have equality? How can we do it? The answering of these problems will occupy much of your time in the future that otherwise you might idle away looking for work. Use the libraries. Continue to grow intellectually, morally, and physically.

With best wishes,

CALVIN S. SMITH,
Superintendent.

Fellow Granitians:

Institutions of learning become famous for their curricular offerings, buildings, and equipment. Men of wealth leave endowments as memorials, testimonies of appreciation for the privilege of having studied there. Future generations applaud their actions, and rightly so, but often they forget that the real accomplishments were fostered by the human element passing daily through the halls and class rooms, in the persons of influential teachers and congenial friends.

Life on any campus offers more than an opportunity to gather information in the environment of massive buildings, expensively equipped and erected on beautifully landscaped grounds. The association of friends, which in reality is the motivation for excellence in achievement, is equally as important as these physical surroundings, yet it too often passes unrecognized. No man or woman can associate with friends without giving much or receiving richly in return for his or her contribution. We encourage one another in excellence as well as in mediocrity. Our interests are the interests of our associates; our habits become their habits; and our ideals are adopted as their philosophy. In reality, then, our "friends are ourselves." To them, with the passing of this year, we pay homage. May their modesty in living and their diligence in service be their memorial in the presence of which all may bow in recognition.

Student Body 1934-1935

The desire of every Granitian has been to make Granite each year a better school than it was the year before, and to uphold the honor and prestige of this institution. This desire has been exhibited by the students in their willingness to support school activities. They have made possible the production and presentation of four school plays, an attempt never before accomplished. Then again, the students have rallied to the support of the music department in presenting an opera which proved to be a very great success.

All this has been made possible by the excellent cooperation of the school board, the faculty and the students. All have worked as a unit to make this year a successful one. The students have supported the student body officers with utmost loyalty, and the efforts of all have been for the benefit of the school. These efforts have not been in vain. If Granite High School will carry on in the future as it has in the past, this institution will continue to be honored and revered by everyone.

—Karl Henricksen.

Senate

Whenever the constitution is found to be deficient, these Granitians are summoned. One amendment which arose was that of prohibiting anyone except the owner from wearing the block "G." This was thought necessary to protect our symbol from being made commonplace. It is an excellent idea, isn't it?

Members of the Senate were: Mr. Poulsen, Sponsor; Ruth Jackson, President; Lucille Labrum, Secretary; Afton Peterson, John Pappas, Senior Representatives; Louise Fagg, Dave Draper, Junior Representatives; Marion Pihl and Frank Kilpack, Sophomore Representatives.

Court

"Guilty or not guilty?"

That is the question judges Ivan Phillips, Myrtle Stay, and Lyman Feinauer have had to decide every Tuesday after school as various students, charged with all sorts of misdemeanors, have been brought before them. The judges have been impartial in acquitting or sentencing the accused. Everyone has received a fair and just trial.

Sherman Taylor and Eldon Ford, Attorneys; and Elly Kamp, Secretary; have aided in the administration of justice. Mr. Greene has acted as faculty sponsor for this organization.

Yearbook Staff

What theme would be interesting for Granitians? What design would suggest the theme? To what should the book be dedicated? How should the cover be designed? Since 1910-11 when the first Granitian books were published monthly, these and other questions have had to be answered by the staff members. Throughout the yearbook's production many difficulties arise, but the members only wrinkle their foreheads in dreadful furrows and struggle to get it over and "out of their systems."

When yearbooks arrive, each staff member anxiously watches for the reaction. If several Granitians have smiles on their faces as they glance through the book, he knows it is good. If they have frowns,— well—forget it. We hope you are smiling as you turn the pages of this, our history book of '35.

Our best wishes for the success of the staff of '36.

Hall Committee

"Do you have a hall permit," is the question some member of the Hall Committee invariably asks any person who appears in the halls of Granite High School while classes are in session during the school year. This well-organized hall system has very effectively replaced old methods, when sluffing and loitering in the halls were the fashion, for the strong arm of this unified body has reached out to offenders and effectively reminded them that such acts are no longer desirable.

This year, Norman Johnson, chairman; Margret Merkley, vice-chairman; and Miss Schafer, faculty sponsor; have efficiently met the problems confronting hall supervisors. The members of this organization have also had interesting social affairs during the year, which added much to Granite's Campus Life.

Paper Staff

Since the first publication of the Granitian paper in 1917, it has become a vital feature of Granite's Campus Life. From year to year, the students aim to improve in the literary technic.

Each year representatives of the staff attend the annual Journalism Convention, which is held at the B. Y. U. in Provo; the members always receive from this convention new ideas and important information on the style and methods of school papers; in addition,they try to utilize the information in the organization of the paper; consequently, the paper published today is a vast improvement over the first publication.

The Granitian is published once a month; it has efficiently accomplished its purpose of expressing the thoughts and the current news of the student body of Granite High School.

Class Sponsors

These 1935 class sponsors have shown great interest in activities of Granite High School.

Their help in promoting outstanding social functions such as the Sophomore Autumn Ball, The Junior Annual Promenade, the Senior Hop, and many other activities, was appreciated by the students who wish to thank them for their loyal support.

Senior Class

The Seniors, determined to make the last year of their high school life the best, have been particularly active in all activities. The senior girls were awarded the prize for the best stunt which was presented at the annual Doll Party. The senior assembly and the Senior Hop, the annual dance given by the seniors in honor of the juniors, were a credit to the class. In other fields of activity, also, seniors were active. Members of the senior class took part in the various plays presented during the year and in the opera. Seniors were members of the paper and the yearbook staffs, and they were active on the debating team.

Upholding traditions of the senior classes of the past, the seniors had their class rings before Christmas. This brought Christmas joy to all.

The senior class has given us a number of important achievements to record in our Campus Life. The gift which has been presented to the school by the seniors will always bring remembrance of this year's graduates. May success always be with you, leaders of 1935!

Senior Class Officers

As the leadership is, so the project shall be.

We owe the success of the 1935 senior activities to the senior officers, Duane Eckard, president; Betty Lund, vice-president; and Roy Heesch, secretary and treasurer. They served their class well.

Senior Ring

The 1935 senior ring was one of the most novel designs presented for several years to the senior class. The material in the ring that made the pattern effective is of red, yellow, and white gold. The class year and the letters "G.H.S." are raised upon a background of blue. Each student's initials are placed upon the outside of the block in blue, one initial upon each side. This senior ring is an outstanding feature of the school year and of Granite's class insignias.

Senior Gift

The senior class has presented a set of amplifiers to the school as the 1935 senior gift. It was planned so that the amplifiers were installed before the class of 1935 graduated. The amplifiers are portable, making it possible for them to be taken out on the campus for various athletic and other outdoor activities.

Junior Class

"The Junior Promenade!" What visions the words convey to us! Soft music, stately mirrors reflecting beautiful gowns, colorful decorations, flowers, and dancers full of mirth. These all form a spectacular part of Campus Life. This dance was one of the outstanding formal affairs of the year, and it was the pride of the junior class.

The saying that a good beginning marks a successful year proves true in the cases of these Granitians. Under the capable direction of the class officers and sponsors, a Get-Acquainted Party was held, then the whole junior class participated in a roller skating party. Following these events came the junior assembly, and the junior issue of the Granitian paper. Altogether these events added much to our records of Campus Life. Juniors, we congratulate you!

Junior Class Officers

When juniors do a thing, they do it well. Under the leadership of their officers, Dean Wallin, president; Crystal Brown, vice-president; and Marjorie Burke, secretary and treasurer; many interesting activities were completed.

Sophomore Class

At the opening of school, many members of the sophomore class may have felt that they, literally speaking, were "strangers in a strange land." A great deal of time did not elapse before they became an integral part of Campus Life of Granite High School. Realizing, however, that one must always begin at the bottom and work by degrees to the top of the ladder, the sophomores took their initiation into Campus Life with a true sportsmanship spirit.

Proving that they were real Granitians, members of this class sponsored an unusual dance in the fall of the year. The successful accomplishment of this activity is sufficient evidence that the sophomores of this year, 1934-35, will be capable of upholding all traditions of Granite High School.

Sophomore Class Officers

The sophomore class was well represented during the year of 1935. The class officers: Dick Kramer, president; Sylvia Nydegger, vice-president; and Clifford Eustice, secretary and treasurer; have shown that they are real Granitians.

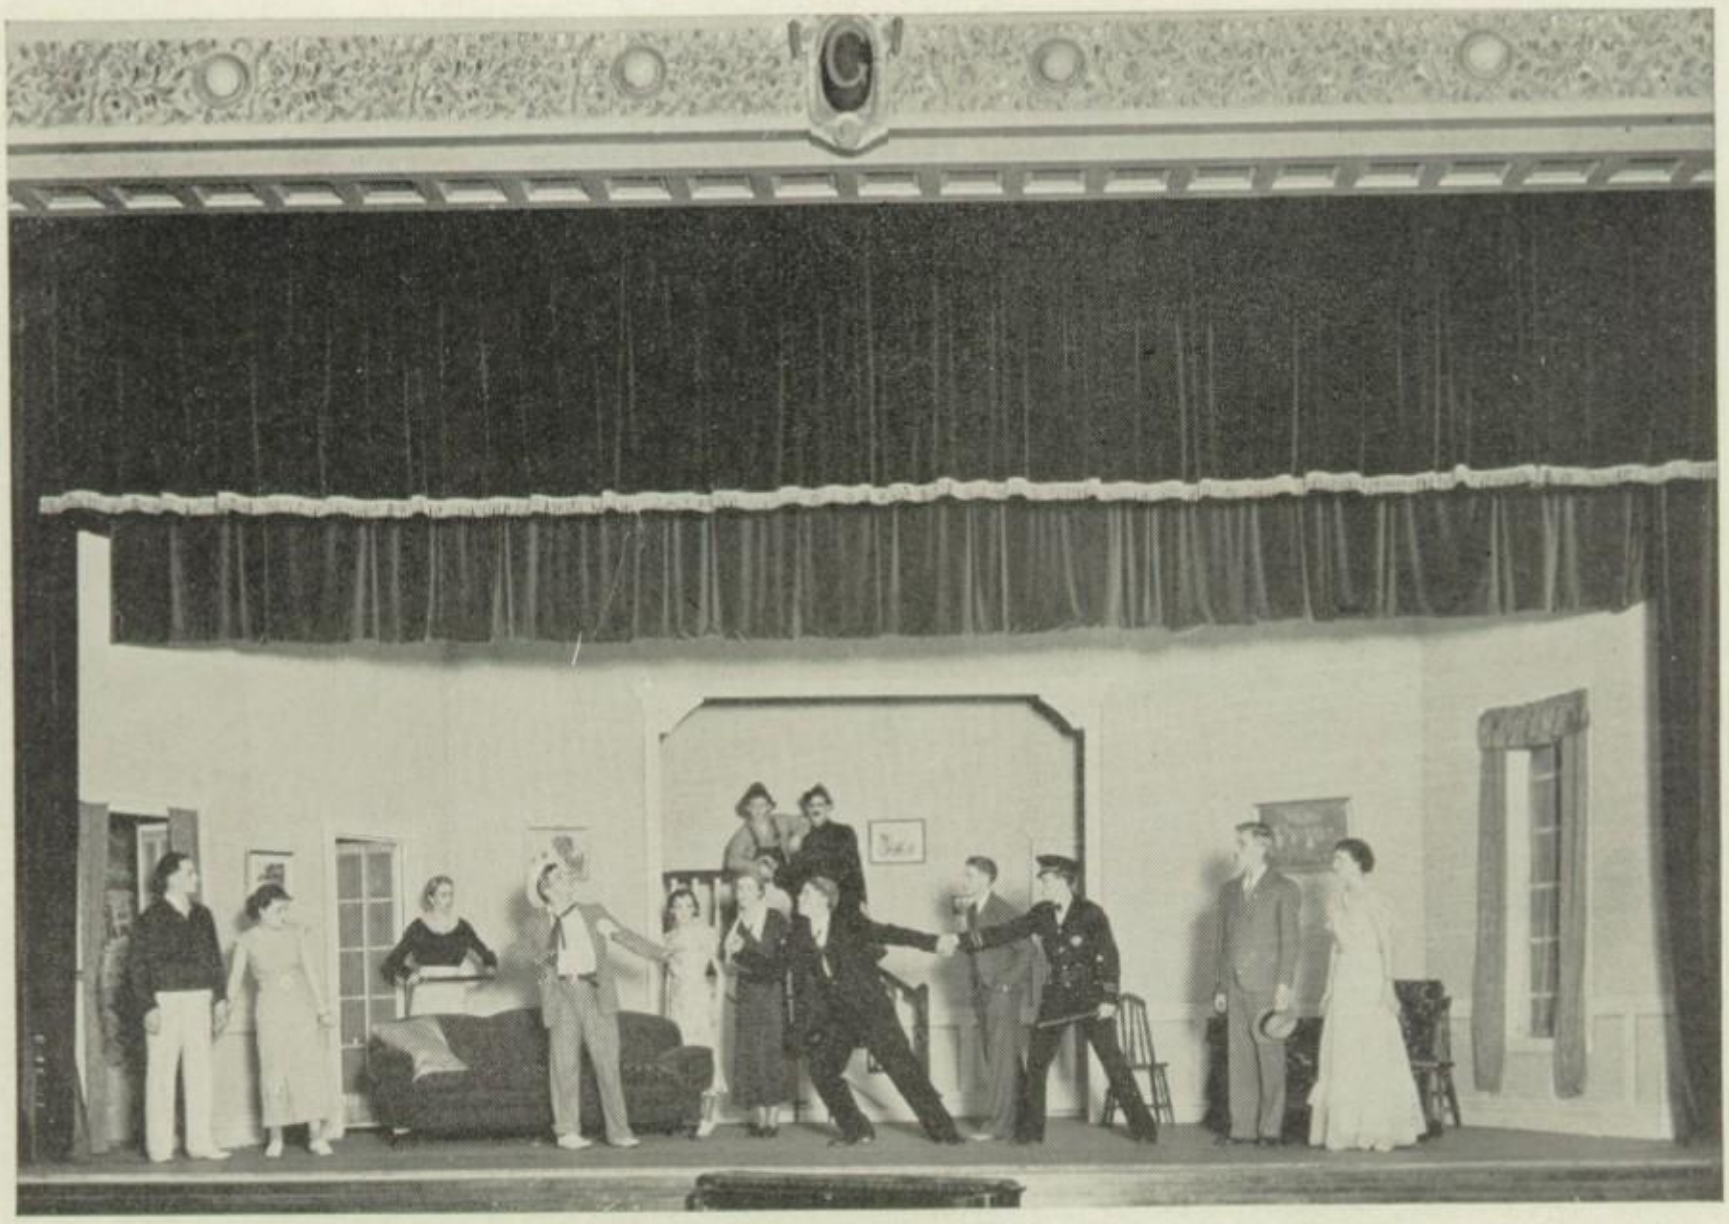
Activities



On Steps: N. Hamilton, S. Taylor

Front Row: B. Jack, D. Swenson, V. Schlatter, J. Pappas, M. Caldwell, A. Ohman, D. Draper, E. Bennion, K. Burns, V. Bailey, M. Hartley

"Jonesy," The Honor Play

"Jonesy" was a very hilarious play about the so-called madcap Jones family. The plot concerned Wilbur Jones and his romance with a young actress, Diana Deveraux. Wilbur's parents tried in vain to discourage the blooming love affair. The small family circle went through many complicated minutes.

Mrs. Jones attempted to snare the town's eccentric and wealthiest citizen, and the father became involved in deep difficulties with a traveling salesman and a policeman.

The leading roles were played by Alpha Ohman, Margaret Hartley, Dave Draper, and Elbert Bennion.

Top, Standing: A. Hardy, L. Barnes, W. Paxton, V. Bailey, V. Jones, V. Sanders, E. Peterson, E. Bennion, D. Swenson, K. Burns, G. Honn, C. Oates

Sitting: R. Ludden, S. Taylor, V. Spencer, J. Bierman.

Bottom, Standing: D. Briggs, M. Anderson, L. Shurtleff, A. Ohman, F. Carlston, M. Harrison, I. Andrus, M. Larsen, F. Bodell, R. White

Sitting: B. Jack, D. Sandberg

"Growing Pains"

First love affairs are always interesting to onlookers. With Terry McIntyre intensely in love with Brian; her brother, George, in pursuit of Prudence Darling's hand; Prudence in love with another man, and anxious parents hoping for a pleasant result, the audience was held in suspense.

"It Never Rains"

The Rogers family claimed that it never rained at that season; nevertheless, at the very climax of this thrilling performance, tense atmosphere was produced by a severe rain storm. The romance involved was between the seventeen-year-old Jimmy Rogers, and Dorothy Donovan, his college sweetheart.

Top, Back Row: R. Kimball, W. Neff, A. Finlayson, B. DeWolf, D. Draper, L. Reynolds

Front Row: F. Mackay, I. Zumpano, M. Hartley, M. Stay, M. Merkley, D. Tame

Bottom, Back Row: T. Wright, C. Oates

Front Row: F. Bodell, H. Kasteler, S. Taylor, L. Reynolds

"Big-Hearted Herbert"

"I am a plain man," insists Big-Hearted Herbert as the curtains part. All modern ideas are against his principles. As the story progresses, his family humiliate him before an important client. He relents to more modern ideas and makes his family happy.

The leading roles of "Big-Hearted Herbert" were successfully presented by Margret Merkley, Dave Draper, Wesley Neff, and Dorothy Tame.

Production Staff

The "men behind the scenes" played a praiseworthy role in this year's production of the series of school plays. We sincerely extend our best wishes to Mrs. Genevieve Wilcox, Mr. Hyrum Hilton, Miss Hortense Redd, Miss Mary Ruth Ballard, Mr. William Parkinson, Mr. Adolph Brox, Miss Edith Funk, Floyd Bodell, Howard Kasteler, LaDel Reynolds, Clifford Oates, and Sherman Taylor for their services.

Orchestra

What organization is a loyal supporter of our dramatic activities? What organization adds life and gayety to our assemblies and gives a sparkle to Campus Life? It is the orchestra of Granite High School.

Under the direction of Adolph Brox, this organization has completed another successful year of music and melody.

Band

Music, yes, and good music is brought forth by the band which is under the direction of Adolph Brox. It helps to create an enthusiasm in athletic contests, and "Pep" assemblies. It would be difficult to state what the school would be without its band; probably its absence would decrease the liveliness and good spirit for which Granite is noted.

Opera

One of the most outstanding achievements of the year was the school opera, "Sweethearts." It is the story of the royal family of Zilania, who, twenty-three years before the opera begins, have been ejected from the throne. The tiny princess, Sylvia, is taken to the proprietress of the Laundry of the White Geese in Belgium by Mikel, a royal attendant. No one but Mikel knows the real identity of Sylvia.

When the opera begins, the unknown princess has become a beautiful young woman in love with a young officer of the army. The officer in turn is in love with Diane, a French milliner who lives with the laundress, and who loves to masquerade as the adopted daughter. Naturally, there are many gentlemen in love with Sylvia, but finally the man who wins her love is none other than Prince Franz of Zilania. All the plot complications are solved happily, to the tune of such lilting melodies as "Sweethearts," "The Angelus," "For Every Lover Must Meet His Fate," "Wooden Shoes," and many others.

Opera

Sweet rythmical song, comedy, and romance! Nothing can surpass the beauty of "Sweethearts." The production staff worked with the members of the cast until the characters lived their given parts. Joyce Ingram became Sylvia; and Willis Christensen, the prince. Their voices were perfectly blended. Roberta Ludden was the Milliner of Bruges. There is no doubt that she disturbed many gentlemen's hearts. Dave Draper made a successful appearance as Mikel, a Diplomat from Zilania. Vaughn Bailey, Kenneth Burns, and Augustus Faust kept the audience in constant laughter. Wendell Paxton played the part of Lieutenant Karl; Louise Fagg was the Laundress, Paula; and the six daughters were as follows: Virginia Dykman, Norma Ottley, Ouida Johns, Afton Sjoberg, Kathleen Knapton, and Theola Vansetters.

Mr. Summerhays was the director, and the other members of the production staff were as follows: Miss Gorlinski, Mr. Adamson, Miss Funk, Mr. Brox, Miss Reynolds, Mr. Parkinson, Mr. Markham, Miss Naylor, Mr. Porter, Miss Mouritsen, and Mr. Hilton. Student assistants were: Vaughn Bailey, Floyd Bodell, LaDel Reynolds, Howard Kasteler, Bill McNulty, Norman Price, and Florence Studham.

Girls' Trio

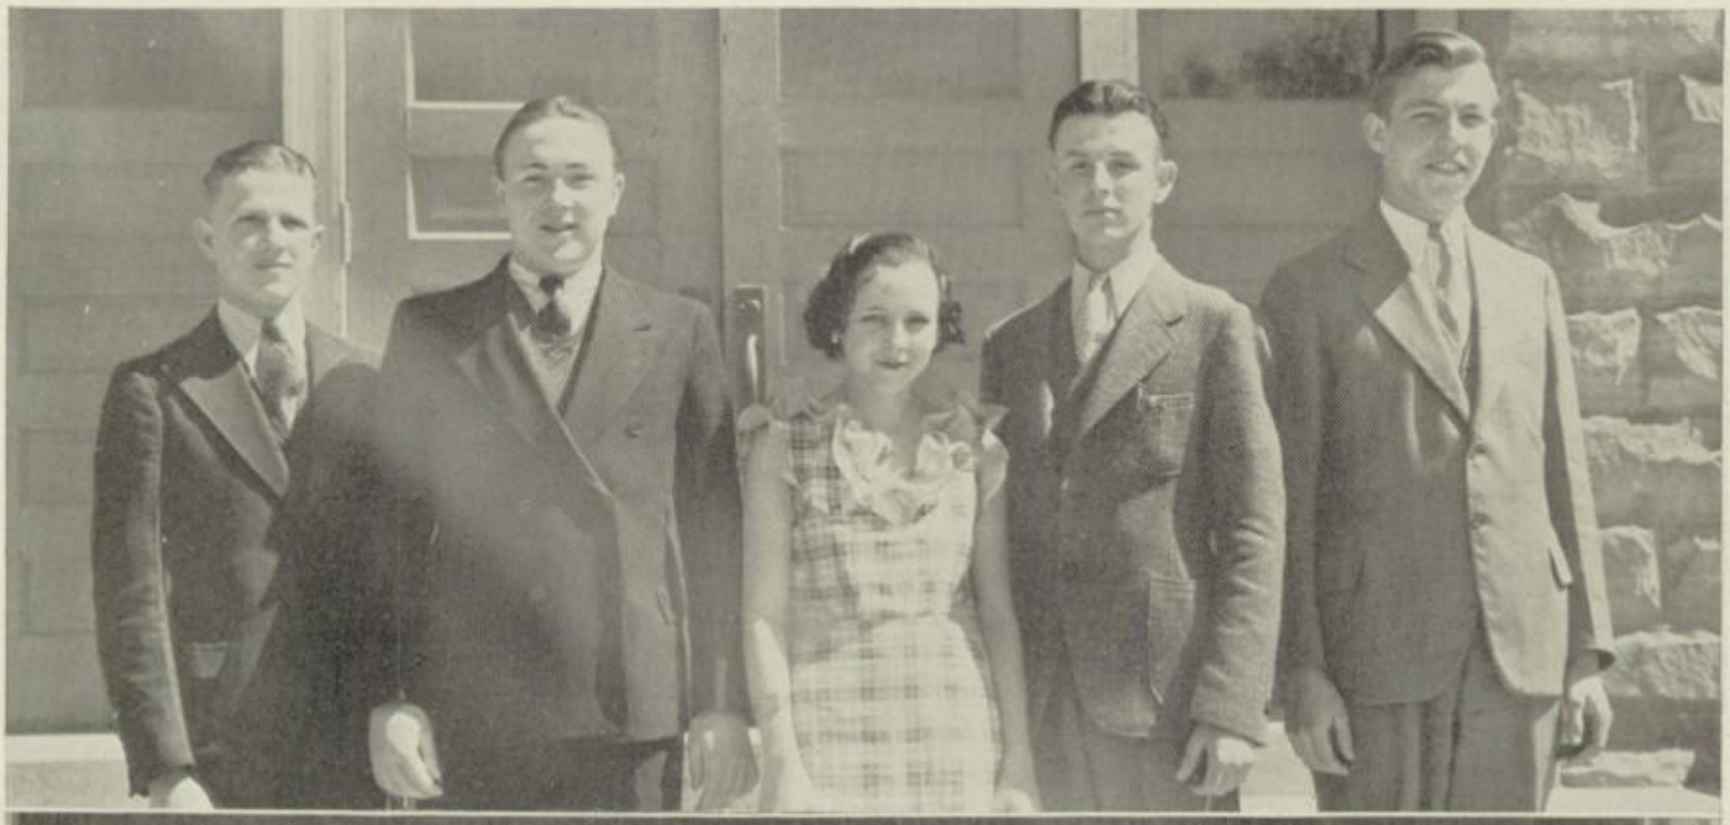
The Girls' Trio, consisting of La Prielle DeWolf, Helen Bramwell, and Louise Fagg, with Rhea Satterthwaite as accompanist, has been a great factor in bringing Granite High School before the eyes of the public.

At many banquets, luncheons, assemblies, and social affairs this group of co-eds has furnished entertainment.

Girls' Chorus

The Christmas Cantata, one of the outstanding events of Campus Life, was very impressive. It was presented by the Girls' Chorus, under the direction of Mr. Summerhays; this program admirably represented the talent which we have in our school.

During the year, this musical group has appeared on programs and has aided in the presentation of the opera.



Boys' Quartette

"Are you going to try out for the Boys' Quartette?" is the question asked of aspiring, young singers near the opening of the tryouts which are held each year to find the persons who will have the distinction of belonging to this group.

This quartette has made appearances in assemblies, and other social functions. Members of this musical organization were Wendell Paxton, Alden Moberg, Vaughn Bailey, and Willis Christensen.

Boys' Chorus

The Boy's Chorus is a very versatile organization. It has been the pleasure of Granite students to hear these boys on various occasions in assemblies. The members of this group helped to make the chorus work of the opera outstanding.

The director, Mr. Summerhays, and these talented Granitians have had a very successful year; they have been enthusiastically received wherever they have appeared.

Back Row: R. Merrill, Mr. Greene, B. DeWolf
Front Row: D. Briggs, E. Hansen, L. Ajoika

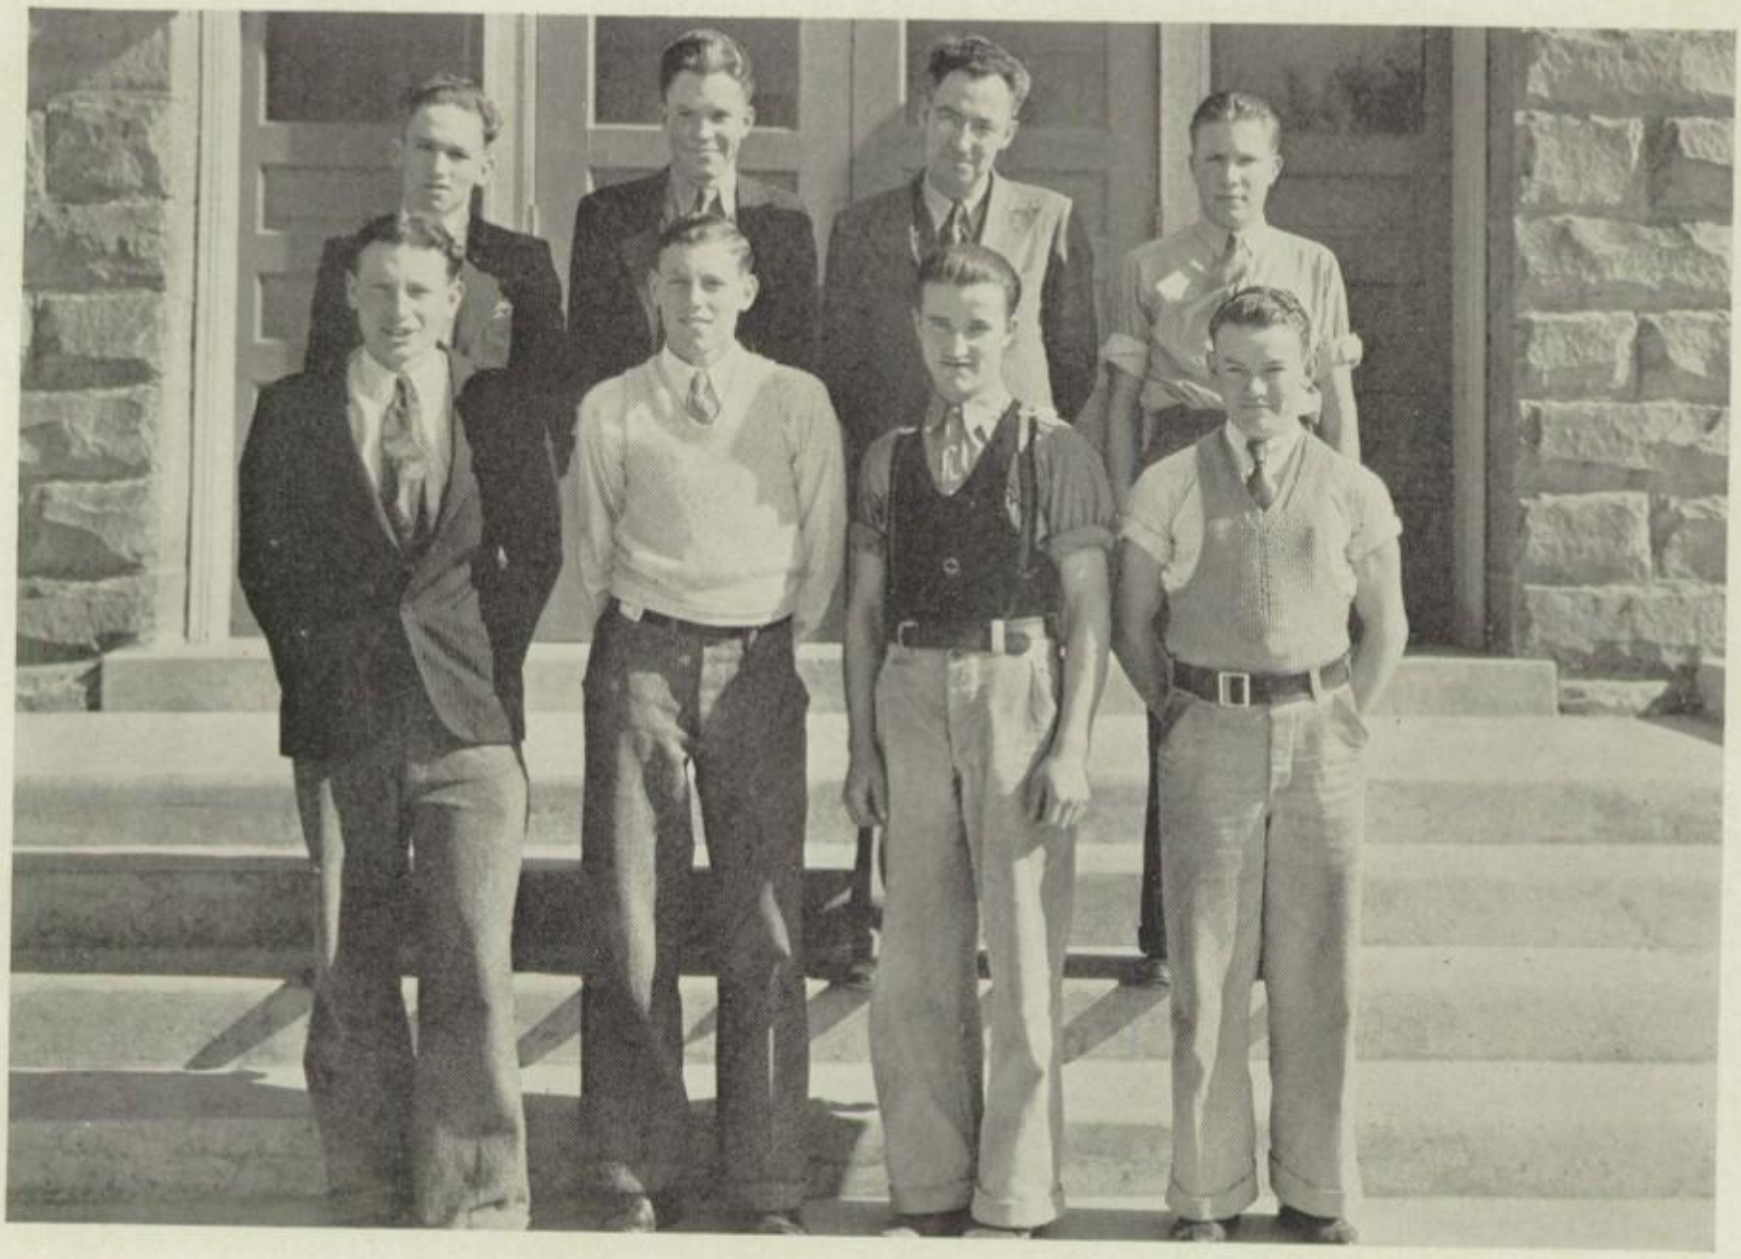
Debate Team

Because of many hours spent learning the fine points of the art of debating, our debaters this year have become unusually skilled.

Members of the team who debated the question "Resolved: That the Federal Government should adopt the policy of Equalizing Educational Opportunity throughout the Nation by means of Annual Grants to the Several States for public Elementary and Secondary Education" were Bill DeWolf and Reed Merrill, affirmative; Emma Hansen, Lily Ajoika, and Dee Briggs, negative. The team was under the leadership of Mr. Greene.

Besides debating in our own school and with schools near our own district, our team has represented Granite High School at many debating competitions in schools and colleges which are far removed from our school.

When this went to press, our team had entered league competition. It showed much promise of winning honors.



Back Row: O. Rich, D. Robins, Mr. Hillam, W. Osguthorpe
Front Row: G. Osguthorpe, D. Hixon, B. Fassio, S. Bringhurst

Stock Judging

More glory has been brought to Granite by the efforts of our Stock Judging Teams. This year in the two annual meets that were held, Granite showed, as usual, ability in giving other schools excellent competition.

The first meet was held in August at Logan, Utah. Forty-four high schools from four surrounding states competed in this contest. In this meet our crop team won first place. Our contestants were Wesley Osguthorpe, first high man; George Osguthorpe, second high man; and Orrian Rich. The poultry team won third place. Ashby Spencer and Dick Robins, the third high man, were the members of this team. The livestock team, composed of Douglas Hixon, Bruno Fassio, and Smith Bringhurst, won fourth place.

In the Ogden meet, which was held in January, the poultry team, composed of Wesley Osguthorpe and Bruno Fassio, won third place. In this meet there were forty teams from three states.

We are proud of our teams and the trophies that they have left to us.

Library Assistants

Two heads are better than one; as a result, in each study class there are two library assistants. One assistant receives books, the other devotes his time releasing books.

In addition each is trained in library methods in order that he can direct students in finding material. These assistants deserve much recognition from Granitians.

Rest Room Committee

The members of this committee are our "Granitian nurses." If a girl becomes ill during school hours, Miss Lindquist, dean of girls, gives her permission to remain in the rest room. These "nurses" put forth every effort to make her as comfortable as possible, comfort of each girl being their aim. Their services are invaluable.

Bachelors' Club

What? Are boys actually doing dishes and baking delicious muffins? It does sound like one of the seven wonders of the world, but it is all too true. These, as well as many other accomplishments, have been the daily activities of the aspiring young chefs who have been making a thorough study of foods during the past year at Granite High School.

Back Row: T. Wright, D. Shipley, J. Pappas, N. Hamilton, B. DeWolf, S. Crawford.
Center Row: J. Wilcox, J. Newton, D. Hickson, Miss Lindquist, R. Iverson, H. Mackay

Commercial Club

The clicking of typewriters and the voices of dictators were like music to the ears of these energetic Granitians; as a result, they organized a club to increase their knowledge of the business world, and at the same time to enjoy activities outside of school routine. During the year, they have learned much about various machines which are indispensable in the modern world of business; and many of the members of the club have become skilled in the operation of several of these machines.

Engineers Club

"All work and no play makes Engineers dull boys." To avoid this condition, the Engineers diverted part of their attention to sponsoring various activities in Granite High School. They gave a dance, sold tickets for various school activities, and prepared student directories, which were issued after the Christmas holidays.

Granart Guild

"A thing of beauty is a joy forever.
It's loveliness increases; it will never
Pass into nothingness . . ."—Keats.

With glowing paints and skillful brushes, these Granitians have added a splash of color to Granite's Campus Life. As by some magic power, they have transformed the stage and the halls into pieces from fairyland. As the result of their efforts, we have enjoyed colorful stage backgrounds for assemblies and plays.

Back Row: H. Flowers, A. Moberg, D. Holder, F. Bodell, H. Kasteler, B. McNulty, N. Price

Home Economics Club

The Girls' Home Economics Club is a large society of Granitian girls bubbling over with mirth and good humor, a society of girls bound by thoughts and interests common to all.

One of their slogans is "variety is the spice of life." This, no doubt, is one reason for the success of the club. Meetings of a business nature have not entirely occupied their minds; they have enjoyed picnics and parties as well.

Back Row: L. Springer, J. Sandquist, E. Garfield, L. Springer, V. Cahoon, G. Cahoon, R. Lehman, E. Jolley, Miss Richardsen, P. Hubner, M. Worthington, N. Quist, L. Stillman, H. Danielson

Orans

Does the occasion demand a short, humorous speech, a rollicking narrative, or a lively announcement? Or do students prefer to hear an impressive oration or a speech dealing with some important event of current interest? No matter what the occasion, one is sure to find just what he wants if he contacts members of the Orans Club. The aim of this organization is two fold: it sponsors campus activities; it encourages school spirit.

Back Row: B. Kitt, W. Christensen, B. DeWolf, D. Draper, V. Bailey, R. Tucket, W. Shurtleff
Center Row: W. Porter, P. McKinney, A. Finlayson, K. Burns, N. Johnson, H. Ashton, D. Pack, H. Widerburg
Front Row: D. Pinckney, L. Reynolds, M. Searle, P. Knudsen, J. Sorensen, H. Coleman, C. Fagg, M. Hunter

Orans

This club strives to develop skill in its members so that they will be competent to deliver efficiently any type of extemporaneous speech.

Leaders of this energetic group of speech students were Mrs. Wilcox, sponsor; Joe Bierman, president; Joyce Mackay, vice-president; Sherman Taylor, secretary and treasurer; Bert Kitt, critic; and LaDel Reynolds, sergeant-at-arms. Members of this club have given parties, banquets, and "pep" assemblies during the year.

Pro Lita Club

As members of the Pro Lita Club become acquainted with the art of writing, they aim to utilize this newly acquired knowledge by expressing their thoughts and feelings from an aesthetic point of view. They are learning to appreciate great authors and good literature; this is in accordance with the purposes of the club.

Enthusiasm runs high when prizes are offered annually by the club for the best essay, poem, or story submitted.

Back Row: N. Swenson, M. Larsen, B. Jack, N. Atkinson
Center Row: E. Tiffany, M. Duffin, G. Krantz, M. Heath, G. Nelson
Front Row: I. Phillips, J. Bierman, M. Rigby, M. Caldwell, H. Coleman

Pro Lita Club

The Pro Lita, meaning "For Literature," is successfully accomplishing its purpose to promote interest in the literary world. Who knows but what some of the members of this club will be recognized at some future date among the world's outstanding authors.

Parties, illustrated lectures, and other events of interest have been enjoyed by the club members this year because of the successful administration of Mr. Poulsen, sponsor; Ivan Phillips, president; Mary Anne Caldwell, vice-president; Bud Jack secretary; and Harold Coleman, treasurer.

Back Row: D. Wallin, M. Hagio, D. Shipley, K. Bre nkman, H. Boes, S. Bautista, G. Cahoon, N. Johnson

Spanish Club

Dean Wallin
President

The romantic students of the school are surely those of the Spanish Club. This club is patterned after life in Old Spain. Dances and musical programs, not to forget the fiestas, add to the charm of Granite's Campus Life. The emblem, typical of Spain, is a gold owl with eyes of red and gold. An inscription meaning "Owls of Wisdom" completes the symbol.

Under the leadership of Miss Smith, sponsor; Dean Wallin, president; Myrle Larsen, vice-president; Gwen Searle, Secretary; Lillian Hjornevik, treasurer; and Mary Evans, musician; the members have had an enjoyable year. They have enriched their knowledge of Spain and the Spanish language, and they have enjoyed many skating parties, house parties, fiestas, and banquets.

Back Row: B. Miller, M. Duffin, L. Mowry, A. Duffin, J. Cooley, L. Casper, K. Gaz

Center Row: I. Andrus, P. Jones, M. Gunderson, M. Wright, N. Kelley, L. Lever, G. Patten, O. Johns, V. Schlatter

Vivacite

If anyone is planning to visit Paris or any other part of France, we suggest that he consults any member of Granite's French Club. During the past year members of the club have taken imaginary trips to France. They have talked French, written French, and thought in terms of French.

The members of Vivacite have sponsored parties, banquets, and other social events. These functions have given to our students an inkling of the charm and cultural background that are associated with the study of a foreign country and its language. The officers were Miss Smith, sponsor; Neldon Carlson, president; Kathryn Gaz, vice-president; Emma Hansen, secretary; Marie Seegmiller, treasurer; and LaVern Lever, musician.

Front Row: Mabel Smith, Mary Brown, Eva Lindquist, Valentine Gorlinski, Vivian Wangsgard

Club Sponsors

These club sponsors have helped Granite to have some of the most successful club activities she has ever had. They have spent many hours in extra curricular activities, sponsoring assemblies and fostering other school affairs.

The students wish to thank them for their loyal support of our student body.

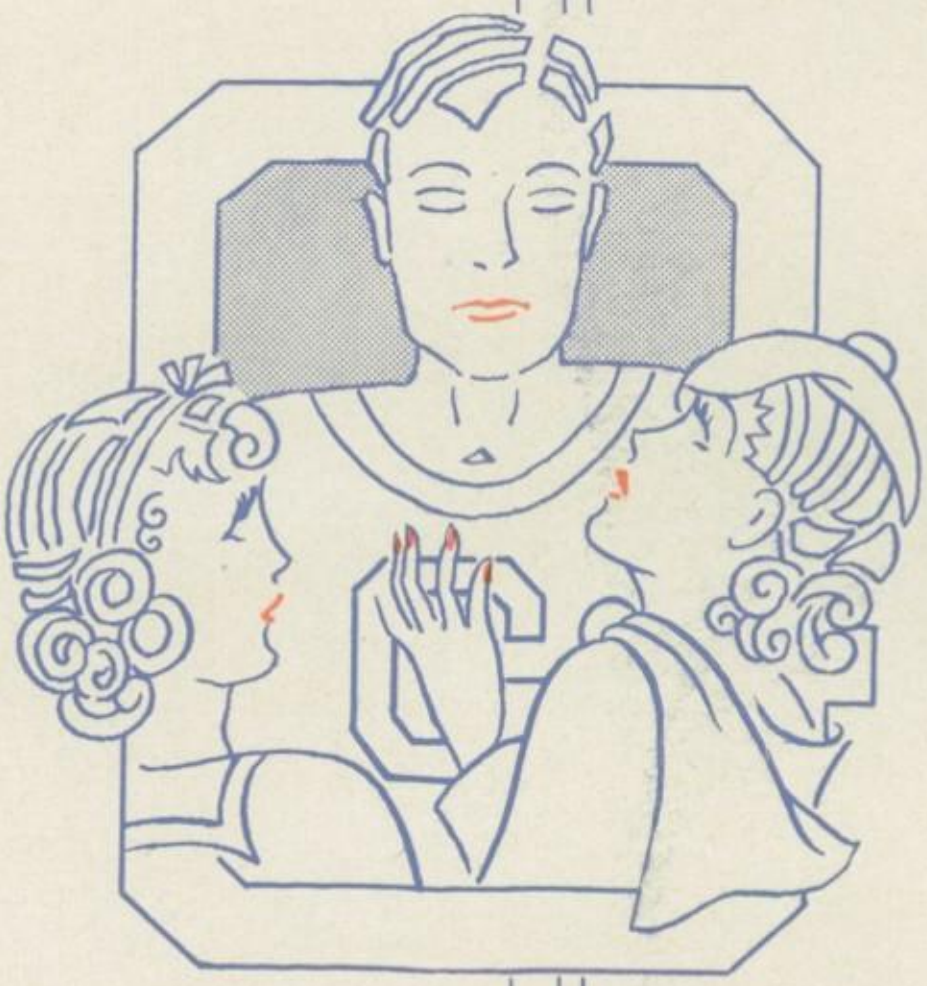
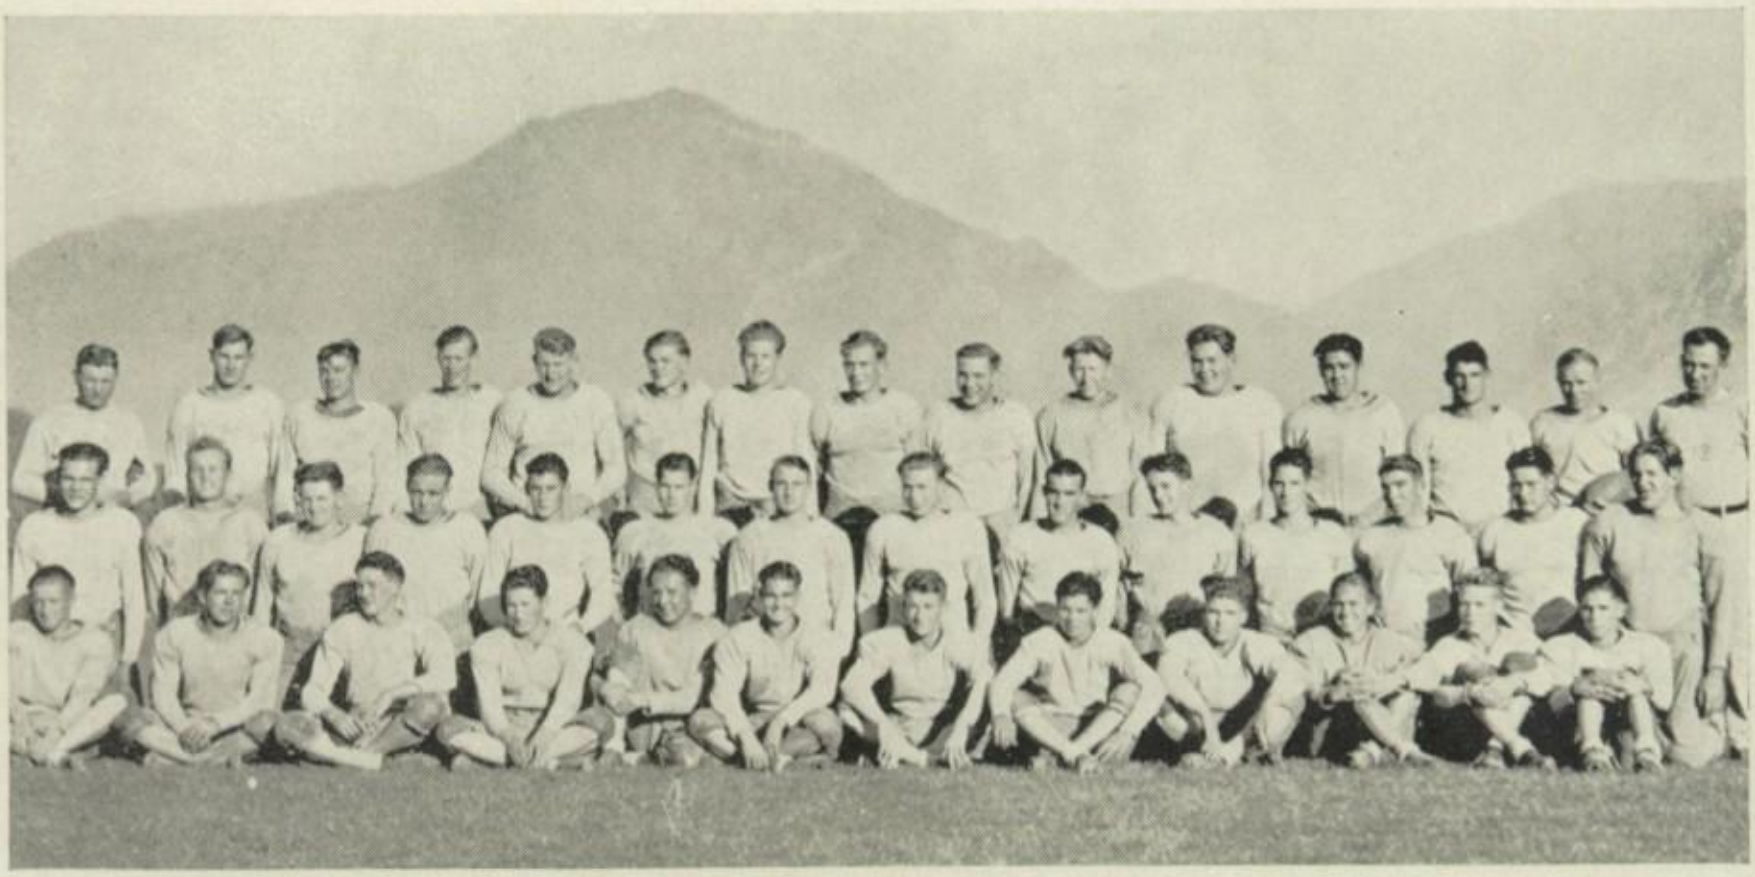
Athletics





Football Squad

Although Granite did not score in football, yet it earned the title, the "Fightin' Farmers." This fact was evident in this year's playing. Our team held before it the ideals of sportsmanship and loyalty to the school they represented. Our opponents scored 108 points on our team and held our total points to a low level, 8 points.

On October 5, the first league game of the season, our team played opposite the Bingham "Miners." In a surprising upset, Bingham defeated us by a score of 8-0.

October 12, the Davis "Darts," using a well-developed passing attack, overcame our aggregation by a comfortable margin, 26-6.

In an important practice game played in Price on October 19, Granite was defeated by a speedy Carbon High team 14-0.

Football Squad

Playing their best game of the season, the "Farmers" held the powerful Tooele eleven to one touchdown on October 26. Statistics showed that Tooele completely out-played Granite and that it was only the stellar punting of Ivan Phillips that prevented a walk-away for Tooele.

Resisting the strong offense of the Cyprus "Pirates" until the last period of play, Granite's defense weakened and allowed Cyprus to push over three touchdowns on November 2. Our team took a defeat of 19-0.

In the last game of the season, November 9, a large and powerful Jordan eleven, revengeful because of former defeats, won by a large margin. The score was 35-2. This game entitled Jordan to the State Championship.

BASKETBALL SQUAD

Basketball

Our basketball boys looked as if they might go places at the beginning of the season with one returning regular and four other lettermen from last year's team. They played well, winning four out of six in the preseason games. The team played especially well in the first two league games against Bingham and Murray; however, Granite then met her first defeat in league ball when the Davis Darts outfought her by a close 23-21 score. Sleeping sickness, lead shoes, uncanny shooting by Jordan gave us our worst drubbing ever. Granite looked better against Cyprus, and she was lucky enough to beat Bingham again by one point; she lost almost without a struggle to Murray, but overwhelmed Grantsville. Granite played her best game of the season at Jordan and lost by a close score. The net results were six wins, four losses.

Basketball

After defeating Morgan, Granite was eligible to enter the tournament. This was the sixth consecutive year Granite has entered a team.

Granite lost her first tournament game to Logan. The next night, Granite out-played Payson by one point; she came through with her best game on the third night when she defeated Nephi by a score of 21-17. The South Rich Trogans showed some real basketball, upset the dope, and won the consolation championship by beating Granite 29-24 the final night. The Granitian team placed eighth.

Track

Bang! There they go. It's the starter's gun. Boy how they run—Nelson, Jensen, Bierman, Briggs—a new state medley relay record broken by four seconds.

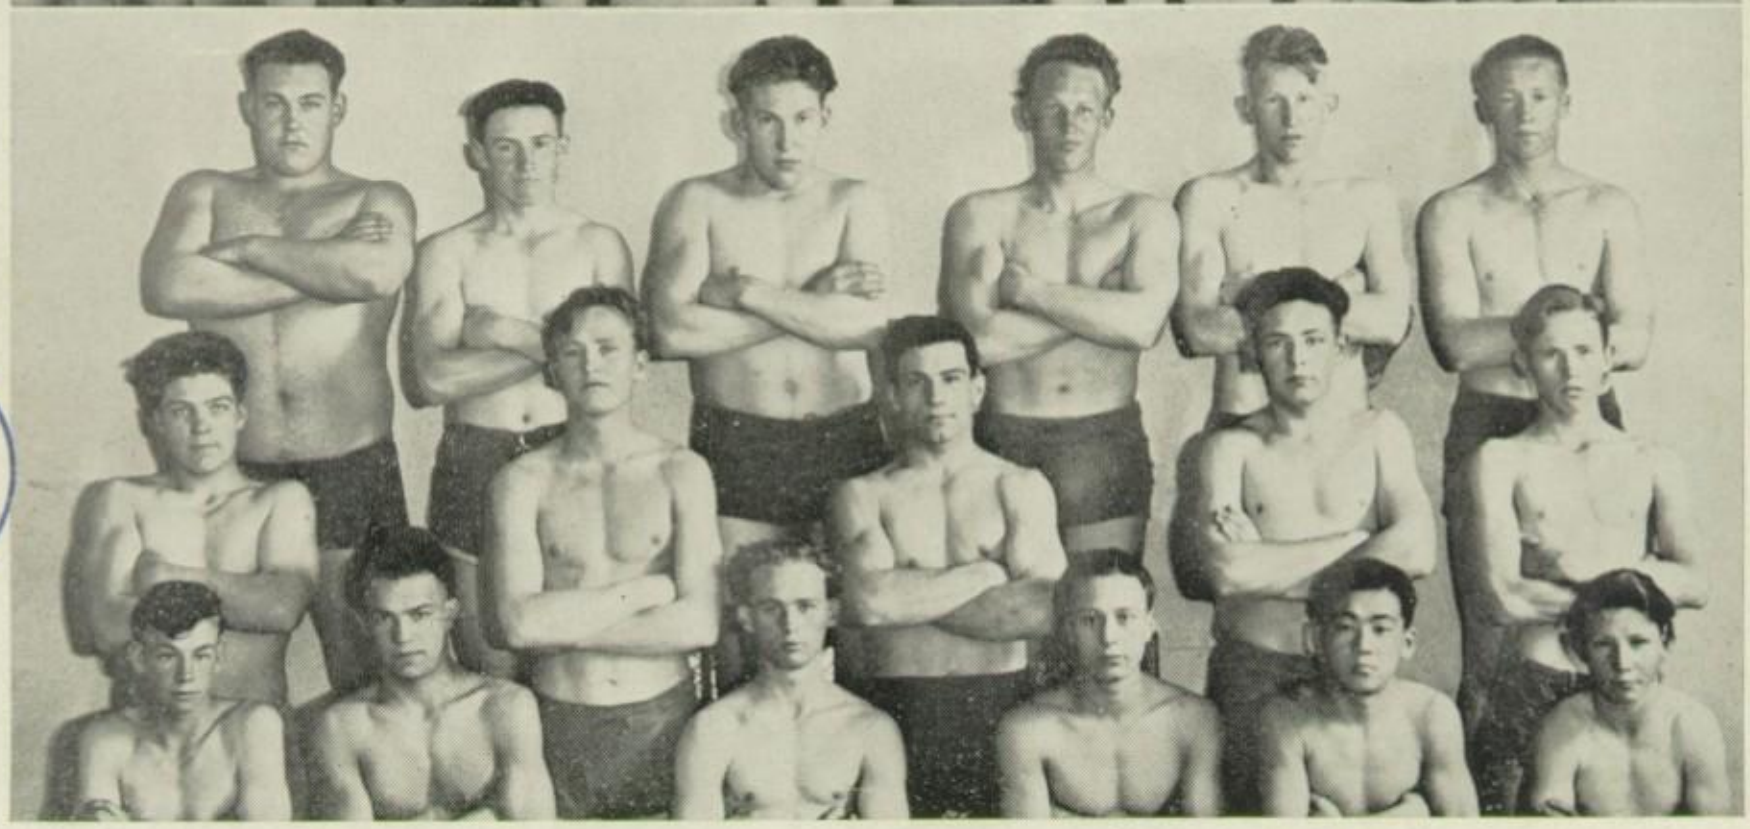
Triangular meet with Jordan and Murray. Invitational meet at Provo; district and state meet. Our track team was just fair. More participants would help.

Baseball

Granite's new baseball diamond, equipped with a new backstop, has encouraged the boys to work harder for a good baseball team this year. This game has become very popular this spring, and many boys have supported the coaches in building a strong team.

Games were played with Davis, Bingham, and Cyprus.

Our team tied for third place with Davis in league competition.



Boxing and Wrestling

These sports at Granite have progressed so rapidly in the past few years that the members of the teams are now eligible for a "G" token.

More boys have participated in these activities than ever before; they have all benefited by their efforts under the direction of coach Rex Sutherland.

Granite's first bout was held with Davis High School. We were downed by a small margin; but in the return fight, Granite won with high honors. In the next two fights with Tooele, our teams were victorious.

Swimming

Even though Granite's swimming team was hampered by the lack of competition, members of the team have shown their skill in a manner which leaves no doubt that this activity is one of the most commendable of our sports. The hours of practice under the direction of Samuel Baird were not in vain; for not only did the members of the team receive excellent instruction, but many of the swimmers became eligible for a "G" token.

In a double meet with Logan, the team was victorious in both contests. This is tangible evidence of the excellence of our swimming team.

Here's to a swell kid.

Girls' Day

In reality it was a "Girls' Day" at Granite on April 12. Clever flowers and programs were given to the girls in the morning. All the girls were clad in crisp gingham and organdy in honor of the day.

Miss Lindquist
Dean of Girls

In the afternoon an assembly was held for girls. The program was furnished by girls from neighboring schools, as well as by the talented young ladies of Granite High School.

After the assembly, a tea was held for the mothers who had come to visit with their daughters at school on this occasion.

When all were assembled in the auditorium again, a fashion show, which brought forth many "ah's" and "oh's" of delight, was presented. Girls escorted boys to the "Girls' Dance" in the evening.

G. A. G. Council

Swimming, basketball, baseball, hockey, track, clogging, and dancing! Could a girl ask for more in sports? No, she could not. In addition, parties, plays, shows, and dances are some of the numerous activities that are automatically given to the girls of Granite High School.

The G.A.G. Council, sponsored by Miss Valentine Gorlinski, has enjoyed a successful year. The following functions: The annual Get-Acquainted Day, Doll Party, Girls' Day, and the Girls' Dance, the predominating feature of the Girls' Day Celebration, were a huge success. Numerous inter-class contests in basketball, baseball, track, and hockey have created interest in the various activities among the girls.

The G.A.G. Council has helped the girls to enjoy themselves to the utmost at the functions they have directed; these functions have made the ties of friendship greater to those girls who have shown talent and a desire to participate.

Miss Gorlinski
Athletic Director

Hockey

These Granitians recognized the value of the game of hockey. To refresh themselves after each school day they donned gym suits, snatched hockey clubs and balls, and played two or three rounds of the game on the campus. Continuous practice improved their skill and increased their interest in the sport.

Basketball

These G.A.G. members exclaim, "What is a better form of exercise than a lively basketball game!" As soon as the whistle blows and the ball is tossed up, they play vigorously in their attempts to make the most of the sport. The girls' basketball tournament is the outstanding feature of the year.

Dancing

Girls from the dancing class did their parts in making the opera a production of beauty. An interpretive dance and many lively tap dances were some of the numbers in which they appeared.

Besides this and a stunt at the annual Doll Party, they have appeared on numerous programs.

Swimming

To learn to swim with ease is a great accomplishment. Shortly after the three-thirty gong sounds, these Granitians are seen gliding through the water, striving to improve their strokes. They find that swimming is a source of enjoyment as well as a source of health.

Baseball

"Strike one, strike two, strike three! You're out!" calls the umpire. But what is just one "out" during all of the baseball games played during the spring? This sport is one of the chief interest of many members of the Granite Athletic Girls' Association.

Sophomore Dance Program

Highlights of 1934-1935

September

12—Onward, dear Granite, Go!

21—The Home Economics Club started the "Get-Acquainted" idea with a party at Fairmont Park.

24—The seniors and sophomores have their own ideas on politics in choosing their class officers.

28—Granart Guild pushed the "Get-Acquainted" idea with another party at the popular Fairmont Park.

October

1—First publication of the noted "scandal sheet," "The Granitian."

2—Pep was displayed in the choice of our yellmasters.

3—Adoption of our attractive activity books.

5—The score of our first football game was 8-0. We were defeated by Bingham.

5—"Get-Acquainted Day" was held with a student body dance in the evening.

12—Granite vs. Davis. A victorious clash for Davis at their stadium.

18—The editors for the Granitian Yearbook were chosen.

24—The first play of a series, "Growing Pains," proved to be a success.

25—Commercial "Kay Gay" Club "Get-Together Party" was featured.

26—Granite was defeated by Tooele at a football game played in our own stadium.

30—G. A. G. "Get Acquainted Party."

November

1—A loyal and popular Granitian, Mr. Hartvigsen, left the school.

2—Cyprus vs. Granite. The game was played at Granite.

9—Semi-finals for the favorite "Campus Sweetheart" and "Campus Beau" popularity contest were conducted.

14—The Bachelor's Club continues the "Get-Acquainted" Spirit with a party at Fairmont Park.

15—G. A. G. sponsored a Thanksgiving matinee dance.

24—Our judicial body the student court became effective.

28—Annual Sophomore Autumn Ball was given.

The Granitian

Christmas Issue

A CHRISTMAS CAROL

Christmas Issue of "The Granitian"

December

13—Two clubs, the Granart Guild, and Vivacite, feature a Christmas Party.

14—Causing hysterical laughter a domestic comedy, "Big Hearted Herbert," the second in the play series, was enjoyed by students as well as by adults.

15—The Pro Lita Club, our literary geniouses, enjoyed a social function in the form of a house party.

20—The Hall Committee changed scenery and rolled around the skating rink.

21—"Merry Christmas to you all!" was shouted at the close of the day, which was marked by a matinee dance, opening the Christmas holidays.

January

3—Vacation over, students resumed their studies.

4—Granite became enthusiastic over the winning of our first league hoop game from Bingham.

11—We continued to win in basketball; this time we won from Murray.

18—Granite met her first hoop game defeat in 1935 on her own floor with Davis. Miss Ballard leaves school to become a bride.

25—Granite received another clipped wing when defeated by Jordan on our own floor.

February

1—Our victorious basketeers swooped upon the Tooele men and surprised them by becoming winners.

5—Once more Bingham suffered a set-back from the "Fighting Farmers."

9—The Cyprus Pirates yielded to Granite spirit as we defeated them.

13—G. A. G. sponsored another matinee dance, a St. Valentine's party.

15—Granite suffered defeated at the hands of the Murray Smelterites.

20—"It Never Rains," the third play in the series, furnished a good topic for conversation.

22—The Union Building, at the University of Utah, once more made a beautiful setting for the annual formal dance, the Junior Promenade.

Junior Promenade Program

March

1—G. A. G. sponsors a matinee dance. Granite's team struggled with Jordan, but was defeated.

5—The tournament beckoned us when we clashed with Morgan to see who remained in the race, and we were the winners.

13—Granite's clash with Logan was fateful on the first night of the tournament for the "Fighting Farmers."

14—Granite surpassed Payson on the second night of the tournament and we remained in the race once more.

16—Nephi succumbed under the iron grasp of Granite and dropped from the lineup leaving us still on the list.

29—Home Economics Girls honored the football and basketball boys with an athletic banquet.

April

3—No bells! We were reminded of Vacation days.

5—Granite upheld a former tradition by presenting an opera, "Sweethearts."

12—Gingham and overalls paraded the halls and campus of Granite to signify the annual Girls' Day. Programs, parade, assembly, tea, fashion show, and finally the usual formal dance closed a perfect Girls' Day.

15—All students who had participated in the opera and school plays during the year were honored with a party by the student body officers.

17—"Penny, penny who has a penny?" The Home Economics Club sponsored a "Penny Party."

19—Members of the Legion of the "G" united in feasting and dancing as the "All G Banquet and Homecoming Dance" proved to be the magnet.

26—The honor play of the year, "Jonesy" was a success making a fine climax of the dramatic endeavors of the year.

May

3—Student body officers sponsored a "Dingy Day" which was really a "Dingy Day." In the evening a Barn Dance was featured in the gymnasium. Dave Draper, Louise Fagg, and Stevenson, elected student body officers for '35-'36.

4—The Home Economics Club enjoyed their annual spring education trip. This year they were entertained at the B. Y. U. and Springville Art Exhibit.

10—The Senior Class sponsored their annual Senior Hop.

11—The Spanish and French Clubs entertained themselves at a banquet.

22—The 1935 Granitians were issued.

24—"Let us put our books away." The last day of school came with a happy vacation looming in the future.

But I'll be back in the
Orchestra Next Year!

Dear Bob.

I can't remember what I wrote yesterday, so I'll just ditto it or write it, which ever you think best. Also I understand that I'm to put certain restrictions on the words I use, so what am I to say? I can write letters to people I've not seen for a while, but seeing that I see you every day, or practically every day, I'm afraid that what I should put in an ordinary letter or book would be quite dull, or ~~not~~ uninteresting, or quite appropriate. I guess that's all I could really say sincerely is that I've certainly enjoyed knowing you immensely, and I hope our friendship will always last, even if you are a big star and are like me in quite a few respects. You know, corny, like to chew gum, etc. (thing of that sort.) I think you're a grand saxophone player and if I ever decide to play something beside the clarinet, I pick on a sax to play and you to teach me to play it. I guess we'll see each other a little this summer any way, (in orchestra that, you know) so I won't say goodbye, but just I'll be seein' ya, and don't do anything I wouldn't.

So long Bob. I'm still
